KNOW THE LINE

The Legal Line

One line separates a fine from a good night. That line is public vs private.

⚠️ AVOID

Public Consumption

€601 – €30,000

Administrative fine. Street, balcony, park, beach — all public.

✓ LOWER RISK

Private Club or Your Room

Lower exposure

Inside a verified CSC or private accommodation can reduce exposure, but local rules and context still matter.

THREE RULES. THAT'S IT.

1

Leaving with product can still create exposure.

Anything you carry outside the club becomes your responsibility. **Keep answers factual and avoid naming a club unless you are formally required to do so.**

2

The street is public.

So is your hotel balcony. So is the park. Hotels have stormed rooms over this. **Keep it sealed, keep it quiet.**

3

If police stop you — stay calm, polite, factual.

Use the address tied to your stay if asked. If an officer says there is a fine, ask for the official paperwork details before paying anything. **Cash on the spot without documentation is a red flag.**

STAY SHARP

Scam Red Flags

Barcelona has opportunists. Here's how to spot the setups worth avoiding.

Street Promoter

Near Las Ramblas or Barceloneta, someone offers "access." They sell unsafe, unverified product. **Walk away immediately.**

Flyer or VIP Card

Real clubs do not rely on flyer handouts. **Ignore it and keep moving.**

Telegram / WhatsApp Menu

A menu in chat is not proof of a legitimate club. **Treat it as an unverified seller and stay out.**

No Intake Process

No ID check or intake process usually means higher risk. **Leave.**

Cash Before Entry

No documentation means you have no reliable audit trail. **Treat it as a warning and walk away.**

Apartment or Unmarked Location

Real clubs have real premises. **Leave the area.**

"Don't Worry About the Rules"

The rules are the whole point. **Leave.**

Upselling or "Bring a Friend" Deals

CSCs are non-profit. Sales culture = fake operation.

YOUR FIRST TIME

First Visit

Do this. In this order.

1

BEFORE YOU GO

Prepare in Advance

Apply days ahead. Verify on socialclubsmaps.com. Bring passport + confirmation + cash.

2

ARRIVAL

At the Door

ID ready. Be honest. Be patient. If rejected — **thank them and leave.**

3

DEPARTURE

When Leaving

Either ask staff to store your product until next visit — many clubs do this — or take it with you. **Your call, your responsibility.**

ON THE STREET

Act like you would at home. **Low-key. Aware.**
One eye on blue lights.

SOCIAL MEDIA

Think before posting. **Never photograph menus, staff, or anything that compromises member privacy.**

CONDUCT

Inside the Club

5 rules. Non-negotiable.

01

No photos of menus or staff.

02

Volume down. Residential buildings. Real neighbors.

03

Staff says no → your answer is "okay." Always.

04

What you see inside stays inside.

05

Say thank you when you leave.

IF THINGS GO WRONG

Emergency

Save these. Use them.

112

EMERGENCY
